Customer Reviews

I have been looking for several healthy and delicious food to be in a diet, and I've read a lot about them. However, this ketogenic vegetarian book is really wonderful. It does not only include the nutrition facts like some, but also give recipes that not only adults will enjoy eating but also kids will surely love. Examples are Extra Easy Cheese Sandwich (with Cucumber), and Loaf-de-Pumpkin (loaf made of squash) for making sandwiches. I just wish there are some pictures included to see the samples.

I have been interested in this ketogenic diet since I read a book about this one. This book is really interesting since it is a ketogenic vegetarian diet. I didn't know a combination of those two exists. This book really shared a lot especially on the recipes.

Additional book to my Ketogenic Vegetarian Diet Collection. The recipes in this book were very yummy and mouth-watering. I can even combined some recipes in one. I never felt this healthy feeling since I started to indulge myself in the Ketogenic vegetarian diet.
