How To Build A Corner Entertainment Center (Doc Handy's Furniture Building & Finishing Series Book 1)

Synopsis

DIY Publications presents Doc Handy's Furniture Building & Finishing Series. This series of how-to e-books are written in plain easy to understand language. They are fully illustrated and include working drawings with the beginning do-it-yourselfer in mind. This book provides all the instructions and working drawings necessary to build a corner entertainment center that easily disassembles for moving and storage. It provides plenty of room for VHS tapes or DVDs, TV, audio video equipment, and has its own built-in hidden wiring channels and power outlets for hooking everything up without those unsightly cords and wires running everywhere where they can be seen.
