# Beautiful Roses Made Easy Northwestern (Jackson & Perkins Beautiful Roses Made Easy)

## Synopsis

Jackson & Perkins is the leading brand of roses in America. Through years of development, Jackson & Perkins now offers roses that have characteristics that allow gardeners to enjoy roses without all the maintenance requirements. Jackson & Perkins Beautiful Roses Made Easy is available in regional editions and explains how roses can now be easy to grow and enjoy in any part of the country. Some gardeners have avoided roses assuming that they were too tricky, fussy, and difficult to grow. This book will help gardeners identify the roses that are easy to grow in their region of the country, and also give tips on how to care for and maintain them. Through six regional editions, Jackson & Perkins Beautiful Roses Made Easy explains how breeding and testing provide modern-day roses that are much easier to grow, with better results. Regional editions give readers specific information on growing conditions in their area and the best roses for those conditions.

## Book Information

Series: Jackson & Perkins Beautiful Roses Made Easy

Paperback: 224 pages

Publisher: Cool Springs Press (January 1, 2004)

Language: English

ISBN-10: 1591860725

ISBN-13: 978-1591860723

Product Dimensions: 7 x 0.5 x 10 inches

Shipping Weight: 1.2 pounds

Average Customer Review: 4.0 out of 5 stars [See all reviews](#) (2 customer reviews)

Best Sellers Rank: #1,901,476 in Books (See Top 100 in Books) #83 in [Books > Crafts, Hobbies & Home > Gardening & Landscape Design > By Region > Pacific Northwest](#) #156 in [Books > Crafts, Hobbies & Home > Gardening & Landscape Design > Flowers > Roses](#)

## Customer Reviews

I had high hopes for this book, as I've been looking for a book with a good, up-to-date list of rose recommendations for the Pacific Northwest area. However, it didn't really fit my needs. There are two sections of recommended roses; the first, and by far the larger, is heavily weighted toward modern roses and appears not to be specific to this region. The list of Ciscoe's favorites is region specific and includes more roses of classes other than hybrid teas, grandifloras, and floribundas, but it's short: only 33 roses are listed. If you're new to growing roses in the Pacific Northwest, this is probably a good book to get; it does have useful information on growing roses, landscaping with

roses, and many nice pictures (though some are annoyingly unlabeled). However, given the lack of sufficient region-specific recommendations, I'd stick with Rayford Clayton Reddell's *The Rose Bible* for general rose recommendations and growing advice and Jeff Cox's *Landscape with Roses* for landscaping and design suggestions.

This is an EXCELLENT Resource on the subject of raising Roses! Authoritative and informative. Great Book :-)
