The Pioneer Woman Cooks: Recipes From An Accidental Country Girl

Synopsis

My name is Ree. Some folks know me as "The Pioneer Woman." After years of living in Los Angeles, I made a pit stop in my hometown in Oklahoma on the way to a new, exciting life in Chicago. It was during my stay at home that I met Marlboro Man, a mysterious cowboy with steely blue eyes and a muscular, work-honed body. A strict vegetarian, I fell hard and fast, and before I knew it we were married and living on his ranch in the middle of nowhere, taking care of animals, and managing a brood of four young children. I had no idea how I'd wound up there, but I knew it was exactly where I belonged. *The Pioneer Woman Cooks* is a homespun collection of photography, rural stories, and scrumptious recipes that have defined my experience in the country. I share many of the delicious cowboy-tested recipes I've learned to make during my years as an accidental ranch wife—including Rib-Eye Steak with Whiskey Cream Sauce, Lasagna, Fried Chicken, Patsy's Blackberry Cobbler, and Cinnamon Rolls—not to mention several "cowgirl-friendly" dishes, such as Sherried Tomato Soup, Olive Cheese Bread, and Crème Brûlée. I show my recipes in full color, step-by-step detail, so it's as easy as pie to follow along. You'll also find colorful images of rural life: cows, horses, country kids, and plenty of chaps-wearing cowboys. I hope you get a kick out of this book of mine. I hope it makes you smile. I hope the recipes bring you recognition, accolades, and marriage proposals. And I hope it encourages even the most harried urban cook to slow down, relish the joys of family, nature, and great food, and enjoy life.

Best Sellers Rank: #1,938 in Books (See Top 100 in Books) #3 in [Books > Cookbooks, Food & Wine > Regional & International > U.S. Regional > Midwest](#)

Customer Reviews

This cookbook focuses on dinnertime meals. Well organized and filled with recipes for a wide variety

of tastes, this book is good for cooks at any level. This book is simply beautiful. Filled with colorful and informative photos (there is a picture for every recipe), this book not only is great to look at but also gives good information for those of us who are competent but not particularly instinctive when it comes to cooking. I especially like the step by step photos so that I can get an idea of what the dish should look at while I am cooking it instead of just hoping it turns out like the finished product. This book is organized by type of meal. With categories such as comfort food, soup for dinner, salad for dinner, breakfast for dinner, the book gives the reader a sense of the different possibilities for meals. There is also several sections on different types of side dishes and even desserts so readers can mix and match main dishes with the sides and desserts they like to make a complete meal. I was especially pleased with the section on freezer meals. While basic and certainly not an attempt to be a treatise on the subject, this section gives readers the opportunity to prepare staples to keep frozen and then provides several different ways that those frozen staples can be used to make different meals. For example, the book provides a recipe for meatballs that can be frozen and then gives recipes for their use in sweet and sour meatballs, Swedish meatballs, etc. This section and the section on quick preparation meals are especially good for busy people who don't have hours to spend in the kitchen to prepare a dinner. This book also has a great variety of recipes.
