# The Royal Wedding Dresses

## Synopsis

Royal weddings have been among the most colourful occasions in British history, and the authors of this book offer a study of wedding dresses since the time of the Tudors. As well as detailing the dresses themselves, they discuss how wedding fashion has changed over the years and include relevant items of trivia and tradition. Their aim is to provide a social history with a difference, showing fashion at its grandest.

## Customer Reviews

This is probably the only book around that gives one an up close and personal detailing regarding the history of royal wedding dresses. This was put out in a limited release and now is becoming quite the "ticket" item to add to one's collection of royalty books.
