The Celebrity Black Book 2010: Over 60,000+ Accurate Celebrity Addresses For Autographs, Charity Donations, Signed Memorabilia, Celebrity Endorsements, Media Interviews And More!

Synopsis

The Celebrity Black Book 2010 contains the best celebrity addresses and celebrity contact information for over 60,000 public figures worldwide. Whether you're a fan, business person, nonprofit, author or a member of the media, you're bound to find this book useful. Everyone who is anyone is inside: actors, athletes, musicians, politicians, world leaders, artists, and authors... even reality TV stars! The Celebrity Black Book 2010 is a staple for fans who want to request autographs, nonprofits who want signed memorabilia so they can hold an autograph auction to raise money for their cause, businesses who want to get their products and services into the hands of celebrities, authors who want to get celebrity endorsements for their books, and members of the media who want to get an interview or a quote. There are so many uses, the possibilities are endless! This edition contains a free 60-day Membership to ContactAnyCelebrity.com -- a \$60.00 value!

Customer Reviews

How does one book rock group 311? Where does one contact Willem Dafoe? "The Celerity Black Book: 2010 Deluxe Edition" is the twentieth update of the resource of sixty thousand contactable celebrities from countless walks of celebrity, from reality TV to religious leaders to political leaders, immense amounts of content information is provided, verified by the US Postal Service. A reference well worth having for libraries or just any place in need of contacting celebrities, "The Celebrity Black Book" is a core addition to any library reference collection with a focus on contact information.

This book is expensive, large and full of bad addresses. What else the publisher doesn't tell anyone trying to contact a high profile person for any reason, albeit simply a fan or raising money for a worthy nonprofit, is that a huge portion of addresses offered belong to the person's agency. Not do they share the info that most if not all agencies shred or return mail but you never know when you invest in hard copy mail printing, business cards, postage and time, that you have no real chance of reaching anybody that will ever be worth all the effort. I spent a lot of money working with this book, a lot, for nothing, and I'm pretty good, darn good at getting results from query writing. The book sucks. Anybody who bought it should sue the publisher. I would if I had time to spare. Claudia Strasbaugh

Great for non-profit organizations to use to raise money. I am a volunteer with the local humane society in a low income county located in northwestern North Carolina, and we are in the process of using this book to raise money for a building for us. So the "jury is still out" so to speak, but I think that if used properly by non-profit organizations that this can be a very valuable tool for raising money from celebrities!

I am a celebrity nut, so this book is fantastic. I love trying to get in touch with celebrities, so this book is right up my alley.

This is a pretty good book for non-profits. and any person wanting to know what organizations are attached to their celebrity, or for anyone who wants to know more about a celebrity foundation they want to give donations to.

This book sucks! I've written several "celebrities" and not heard back from one I've written who's "address" I've looked up in this book. Don't buy it! Your money would be better spent on something else.
