## Synopsis

**SPECIAL DISCOUNT PRICING: \$2.99! Regularly priced: \$4.99 \$5.99.** Get this Amazing #1 Best-Seller - Great Deal! You can read on your PC, Mac, smart phone, tablet or Kindle device. Smoking Meat & Jerky Recipes Smoking meat is a super ancient and really popular method of preparing red meat or fish. The technique used helps to keep these protein-packed foods, that would otherwise spoil, preserved. Smoking meat gives you the ability to store it at room temperature because the smoke contains these chemical compounds that halt the growth of bad bacteria. Smoking is an art, not a science, and I'm going to show you how super easy it can be. Everything you need to know about smoking meat is packed neatly inside my smoking meat recipe book. Today, when you grab your own copy of my book, you are going to get access to my most cherished jerky recipes. I was kinda hesitant sharing them. I don't know why. ## Customer Reviews

The recipes in this guide are incredible and extremely delicious...persons who get this book will not be at all disappointed...If you love barbecue or planning to have a barbecue party then this guide would be amazing to use.. The book includes cooking measure conversions as well as shopping list of ingredients to have. Perfect guide for beginners as well as persons who want to advance their barbecue skills.

My boyfriend's family love BBQ, I bought this book to impress them, and I did! I am not a good cook and I am a beginner in cooking BBQ or smoking, it's a good thing the book is easy to follow and there are tips on how to make each recipe tastier at the end part of each recipe. What I love most about the book is that it has a calorie, fat, protein, and carbs count included in each recipe. Great recipe book!

I'm a barbecue fanatic and I'm always on the lookout for recipes to try out. I loved the recipes in this book! The few that I have tried were amazing so far and I am loving the great flavor. The formatting of this book is excellent as it was really easy to navigate and everything is very neatly done. This book is worth the money so give it a try.

I never thought that the content of this book surpasses my expectation. I thought that it is just a normal smoke recipes but a big NO! There are lots of recipes here that I want to try and I am so excited about it. Great book! Glad that I grab this one.

Such an awesome recipe book! There are so many recipes to choose from you'll never run out of new things to try. The recipes I have tried so far have all been delicious. This book would be a great addition for anyone who likes BBQ or anyone who wants to try some new recipes. The recipes are easy to follow and take out a lot of the guesswork. The author did an outstanding job in writing and guiding throughout the recipes. I would highly recommend this book.
