I had a pet bunny years ago, but wanted to refresh my memory about bunny care before purchasing a bunny for my nephew. This guidebook was just what I needed. It explains all the different aspects of taking care of a bunny. The language is simple enough to share with a young child. It's filled with charming photos as well. I can't wait to share this book with my nephew when I bring over the tiny lop-eared bunny I bought him for his birthday!
