Top 50 Most Delicious Rice Recipes (Recipe Top 50's Book 80)

Synopsis

Rice is a staple food in a lot of countries, especially Asia. Who could blame them? Rice is delicious and it can be paired with almost any type of food. Rice can even be used for delicious sweet desserts. With the right ingredients you can flavor the rice perfectly for any dish. There are different kinds of rice and their nutritional values vary as well. White rice is low in nutritional value. Brown rice is healthier because it contains vitamin B and magnesium. Black rice is even healthier, it contains antioxidants and is relatively high in protein. No matter what type of rice you use, this recipe book has a variety of rice recipes that are very delicious and easy to make. With most of the recipes you can use all types of rice interchangeably. You can experience eating rice dishes from Asian to European rice specialties. From entrees, appetizers, side dishes to desserts. Choose your pick! - - -

Customer Reviews

This cookbook has some really great recipes in it. The cheesy chicken and rice bake is out of this world as is the cheesy chicken and rice skillet dinner with bacon. The cajun shrimp and rice is also fantastic as is the nacho supreme rice. But with so many great recipes you need to try them and decide for yourself. Thank you and enjoy your meal and enjoy your day.

Enjoyed this book immediately; rediscovered brown rice through this recipe book. Tried a different rice recipe each day for almost two full weeks. No, not the greatest cook book every written; but, it will do...

SIMPLE RECIPES FOR SIMPLE FOLKS LIKE ME.

I Love Rice, I Love and cookbook that teaches me new ways to prepare Rice. This booki was a lot of fon, and some great new ways to prepare one of my favorite foods.

My family loves rice and these recipes are right up my alley. Great and easy.

Rice is a wonderful food that can go with most other meats or vegetables. This is a great little book for ideas. I don't like to make the same old food all of the time. I enjoy making changes.

I didn't know you can make rice so many different ways, this book is fantastic, love it.
