Customer Reviews

We love all of Sarah's recipes! We do not like a lot of processed foods or too much salt and Sarah's recipes are perfect. I have also made shelf stable meals to keep on hand at the office for those days I can't get away from my desk at lunch.

A backpackers must for eating on the trail. Perfect nutrition for those long days. Easy to read & make recipes.

I can use this to get more variety in my backpacking meals.
