H.E. Harris Nat Park Folder Vol 1 2010-2015

Synopsis

Pre-Order Now. Ships January 30, 2010. Harris-brand National Park quarters folder, 2010 2015, 60 openings, P&D Mints. The National Park Quarters Coin Act of 2008 requires quarters, beginning in 2010, to have designs on the reverse depicting one national site in each state, the District of Columbia and the five territories of the United States. Fifty-six (56) different designs will complete the program from 2010 through 2021. Whitman folders are built from the safest archival safe materials known. Inert and safe for all coins. 5.75" x 7.75" closed, 17.75" x 7.75" open.

Shipping Weight: 3.2 ounces (View shipping rates and policies)

Average Customer Review: 4.5 out of 5 stars [See all reviews](#) (39 customer reviews)

Best Sellers Rank: #42,460 in Books (See Top 100 in Books) #26 in [Books > Crafts, Hobbies & Home > Antiques & Collectibles > Coins & Medals > Coin Folders](#) #12646 in [Books > Children's Books](#)

Customer Reviews

H.E. Harris books have been around a long time. My grandfather passed his coin collection to me in these books, and now I plan to pass my collection to my Grandson. I wouldn't consider any other book.

I love H.E. Harris Books because the holes are perfect for you coins! There not to small and not to big. I have gotten all of the H.E. Harris books for all coins, and they're great! I will recommend to my friends and family! No flaws or anything bad about this product. Made very well! They're the BEST!

All Harris folders are excellent investments. I have the entire collection for all coins. They are very well made; durable, easy to use, attractive design...highly recommended.

Does what it claims. Nothing exotic. Thought the paper would be a bit thicker, but my 9 year old daughter has done a good job of not jabbing her finger through any of the empty holes for coins, so that is promising. I have seen the "children's Washington quarters national parks" book and it is bigger and more interesting for children. I should have purchased that one instead, but chose these because I could create a coin collecting "set of books" pennies through quarters.

What can you say about a Quarters Book? The order, shipping & delivery went smoothly. I received exactly what I was expecting - the book for the National Parks Quarters. The quarters fit. There you go.

The book is a simple way to collect and display all of my quarters. I have several books from Whitman Publishing and have never had a problem.

It's definitely not what I was expecting. I guess they're made differently now, but when I was younger the books were much bigger and not made as cheap. This product does its job and holds the coins nicely. I was just expecting something better, you get what you pay for.

I'm storing a mixture of UNC and BU versions of these quarters and I have to say that I'm disappointed with the diecuts in this folder. Some of the coins fit easily but the majority did not. I use Harris brand exclusively and have for years but I am literally having to stand up and press one thumb down with the other thumb on top of it and put my full weight on the coin to get it into the hole. I finally relented and got a clean wine cork and a tack hammer and gently tapped the coins into the holes. I would not recommend this Park series of albums, especially if you have arthritis or back problems.
